## Changing Service using the Explore Portal

Administrator - 2019-01-18 - 0 Comments - in Service/Account Management

Your service plan can be changed using the Explore portal. Follow the steps below for assistance on how to change your service plan.

1. Login to [inreach.garmin.com](https://inreach.garmin.com)
2. Select the **Plans & Devices** tab
3. Select **Edit** under the heading **Subscription** next to the image of your inReach device.
4. Select **Change Plan** and the available subscription plans will be displayed.
5. Select the desired service plan from the list, then press **Change Service**.
6. A confirmation prompt will be displayed with the plan details. Select **I agree** followed by **Continue** to proceed.
7. Once completed, your account will now display your new service plan.
