Delete Message and Tracking History from Earthmate for Apple iOS

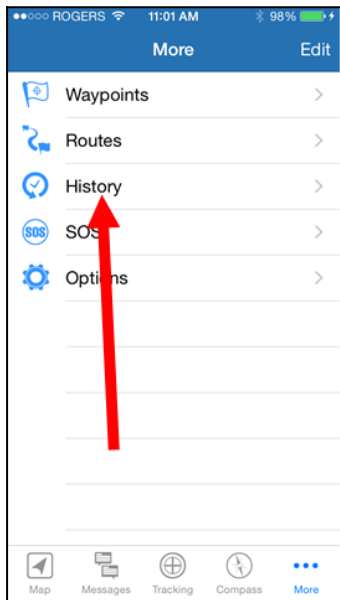

Administrator - 2015-06-02 - 0 Comments - in iOS (iPhone, iPad, iPod)

Please follow these instructions to delete the message and tracking data from the Earthmate app. The data will not be erased from the explore.delorme.com portal, only the app.

1. Open the Earthmate app.
2. Tap on "More."

3. Tap on "History."

4. From here you have two options:

Option 1: Delete data for an entire day

A) Scroll to the desired day.

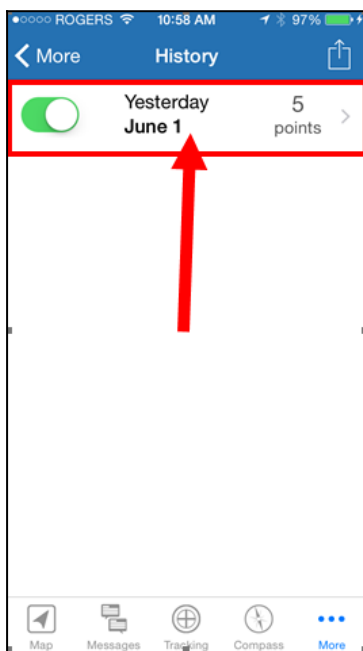

B) Swipe from the right hand side to delete the data.

Option 2: Delete specific data point

A) Tap on a specific day.

B) Scroll to the data point you wish to delete and swipe from the right hand side.
