Sending Facebook, Twitter, and MapShare Messages From Earthmate on Android

Administrator - 2017-07-05 - 0 Comments - in How-To

To send a message to Facebook and Twitter you must first link your accounts with the explore.delorme.com portal. Instructions for doing so can be found here: <http://support.inreachcanada.com/kb/articles/75>. Once completed follow the instructions below:

Note: Replies from Facebook and Twitter will not appear on the device. Replies from MapShare will route back to your device.

Solution 1: Send a message to Facebook

1. Open the Earthmate app.
2. Tap on the menu button .
3. Tap on **Messages**.
4. Tap on the message thread labelled "Facebook - To post a status update to Facebook, reply to this message thread."
5. Compose the message and then tap on **Send**.

Solution 2: Send a message to Twitter

1. Open the Earthmate app.
2. Tap on the menu button .
3. Tap on **Messages**.
4. Tap on the message thread labelled "Twitter - To post a status update to Twitter, reply to this message thread."
5. Compose the message and then tap on **Send**.

Solution 3: Send a message to MapShare

1. Open the Earthmate app.
2. Tap on the menu button .
3. Tap on **Messages**.

4. Tap on the message thread labelled "MapShare - To post a status update to Twitter, reply to this message thread."

5. Compose the message and then tap on **Send**.
