## Sync Earthmate for Android with Explore portal

Administrator - 2017-07-05 - 0 Comments - in How-To

It is important to sync the Earthmate app before leaving Wi-Fi or cellular coverage. This ensures that the following information are updated on the inReach device:

### **inReach SE and inReach Original:**

- Quick messages
- Predefined messages
- Contacts
- Message routing

### **inReach Explorer, inReach Explorer+, and inReach SE+:**

- Quick messages
- Predefined messages
- Contacts
- Message routing
- Waypoints
- Routes

### **To Sync Account Info**

1. Open the Earthmate app

2. Tap on the **Settings** icon

3. Tap **Settings**.

4. Tap **Sync**.
