Using Weather with inReach SE+ / Explorer+

Administrator - 2018-06-22 - 0 Comments - in inReach SE+

Your inReach device can send a message to request basic, premium, or marine weather forecasts.

You can receive weather forecasts for your current location, a waypoint, or GPS coordinates.

Weather forecasts incur data usage charges. For more information, use the links below:

inReach forecast information: <https://inreach.roadpost.ca/inreach-weather-forecasts/>

inReach subscription fees: <https://inreach.roadpost.ca/contract-free-inreach-roadpost-plans/>
