## Viewing History Details using inReach SE+ / Explorer+

Administrator - 2017-03-09 - 0 Comments - in How-To

You can view your history details, the number of messages, preset messages, track points and other events sent from your device each day. Your history details will show you the amount of points sent by date.

This article explains how to view your history details.

1. Select **History** and press ✓
2. Select a day from the list and press ✓
3. Select an event record from the list and press ✓
4. The event record details will be displayed.
5. Press  and the **Details Menu** will be displayed.
6. Select **View on Map** and press ✓ to view the location of this event on the map.
