inReach Canada Unscheduled Outage - Feb 9

2017-02-09 - Administrator - Comments (0) - Announcements

Update: Iridium has resolved this outage. The outage window was 12:13 PM EST (9:13 AM PST) until 1:30 PM EST (10:30 AM PST).

Iridium has informed inReach Canada of an unscheduled outage that is currently affecting the following services:

- Email messaging
- SMS messaging
- inReach-to-inReach messaging
 - SOS
 - Tracking

The following services are unaffected:

- inReach activations, suspensions, and deactivations

We apologize for the inconvenience.
