inReach Canada Unscheduled SMS Outage - June 20, 2017 (RESOLVED)

2017-06-20 - David Jones - 0 Comments - in Announcements

****THIS ISSUE HAS BEEN RESOLVED****

Garmin has informed inReach Canada of an unscheduled outage that is currently affecting the following services:

- SMS messaging

The following services are unaffected:

- Email messaging
- inReach-to-inReach messaging
 - Tracking
 - SOS
- inReach activations, suspensions, and deactivations

We apologize for the inconvenience.
