Potential Iridium Service Outage September 25, 2015 (RESOLVED)

2015-09-25 - Administrator - [0 Comments](#) - in [Announcements](#)

Service Impact: inReach outbound SMS, email, and tracking.

Begin Date: TBD

End Date: TBD

Iridium has informed inReach Canada that messages sent from inReach devices may incur a transmission delay.

Iridium engineers are currently working to resolve this issue.

We thank you for your patience in this matter.

Sincerely,

inReach Canada Support
